Hi **CLIENT FULL NAME**,

I'm looking for a lifetime relationship with you.

One of the ways I do this. Is by giving you a Lenders Score Coaching Session to enhance your scores. To save money on mortgage financing, auto loans, credit cards and insurance premiums.

I have negotiated a discount for you on the Credit & Financial Coaching System. Normally \$300. (You pay only \$95, this includes your significant other). It includes up to 3 hours of coaching and a copy of a lenders report with the real credit scores. This will NOT drop your credit scores as it is a SOFT PULL. You will receive a Harvard Education on everything Credit & Lending.
